

THE FIRST EXHIBITION IN LONDON ON THE FOUNDER OF CL

FROM MY LIFE TO YOURS

An exhibition on the life and teaching of the Servant of God Fr. Luigi Giussani, founder of the movement of Communion and Liberation

«I was thoroughly persuaded that a faith that could not be found or confirmed in present experience, that was not useful to its needs, would not be a faith capable of standing up in a world in which everything, everything, says the opposite.»

Fr. Giussani had intuited that Christ is the unifying centre of all reality, he is the **answer to all human questions**, the **fulfilment of every desire** for happiness, goodness, love and eternity present in the human heart. He understood that **Christianity is an encounter, a love story, an event.**
